A Message of Solidarity
with the Church in South Sudan
from the heads of
The Episcopal Church
The Anglican Church of Canada
The Evangelical Lutheran Church in America
The Evangelical Lutheran Church in Canada

Friday, May 9, 2014

The situation in South Sudan continues to be extremely difficult, and news of it in North American media is minimal. Violence has been fomented and stirred by political leaders for their own ends. Although the mainstream media portrays the conflict as ethnic, its roots, as with any conflict, are varied and complicated. Regardless, there can never be a rationale for the suffering that has been wrought.

Our partners in South Sudan have suffered massive casualties. Their people have been murdered, raped, tortured, and burned out of their homes. Churches and entire villages have been destroyed. In spite of extensive displacement, Anglicans/Episcopalians and Lutherans continue to be active in relief and peace-making efforts through our partners in the Episcopal Church of South Sudan and Sudan, and the Lutheran World Federation.

We urge you to join in prayer for the people of South Sudan and Sudan, for a lasting and meaningful peace, and for immediate aid and response to the needs of the myriad of displaced persons.

As we celebrate the feast of the Resurrection, we urge you to help make the risen body of Christ evident to those who labor through the valley of the shadow of death.

Presiding Bishop Katherine Jefferts-Schori

St. David of Wales

WEEKLY NEWSLETTER
MAY 18TH - MAY 24TH

God designed the human machine to run on Himself. He Himself is the fuel our spirits were designed to burn, or the food our spirits were designed to feed on. There isn't any other. That's why it's no good asking God to make us happy in our own way without bothering about religion.

C.S. Lewis

Our poverty is greater than ours....
The spiritual poverty of the West is much greater than the physical poverty of the East. In the West, there are millions of people who suffer loneliness and emptiness, who feel unloved and unwanted. They are not the hungry in the physical sense; what is missing is a relationship with God and each other.

Mother Teresa

We cannot avoid the dangers and the reefs of which this life is full, without the real and constant help of God. Let us ask him for it without ceasing. But how can we ask him without being with him? And how can we be with him without often thinking of him? And how can we often think of him without forming a holy habit of doing so?

Brother Lawrence
