## WEEKLY NEWSLETTER JAN. 12TH - JAN 18TH

**B**aptism is rich in meaning. It suggests cleansing. When you are a disciple, you understand that you are cleansed by Christ. You understand that Christ died in your place on the cross, paying for your sins, fully forgiving you for all your wrongs. You are cleansed from guilt, and you are becoming a cleaner, healthier, more whole person.

*BRIAN D. MCLAREN,  
More Ready Than You Realize*

**M**ost Christian 'believers' tend to echo the cultural prejudices and worldviews of the dominant group in their country, with only a minority revealing any real transformation of attitudes or consciousness. It has been true of slavery and racism, classism and consumerism and issues of immigration and health care for the poor.

## Calling All Eucharistic Ministers and Candidates To Become a Licensed Eucharistic Minister!

One of the more helpful ministries of our Sunday Service is the ministry of the Eucharistic Minister. In years past this ministry was known as a Chalice Bearer, but the ministry and the work has grown well beyond simply administering the Chalice at the time of Communion.

Epiphany time is a great time to renew our understanding of this ministry as well as welcoming new candidates in to this ministry.

Please contact Fr. Joe via of phone (360-229-8869 or 360-426-8472) or via email (josephmikel@aol.com) or in person if you might be interested in this ministry. We will start in the new week or so after we have identified a date and time for our first gathering.
