ANNIVERSARYS THIS WEEK

Moses & Lois Kirka

February 14th!

A big Thank You from the Saints Pantry for all the support in 2013. The final figures for the year - 18,544 families were served, that's 52,590 individuals. We have had to increase the number of backpacks for students from 150 to 75. The Shelton School District reports a growing number of homeless and needy children. The Backpack program remains a high priority providing food on the week-ends for those students. Your help is appreciated.

The flowers for our service today were given in loving memory of *Agnes Hamilton* by her family.

WEEKLY NEWSLETTER
FEB. 9ND - FEB. 15TH

Let us not then darken the joy of Christ's victory by remaining in captivity and darkness, but let us declare His power, by living as free men who have been called by Him out of darkness into his admirable light. *Thomas Merton*

Too often where the church is needed to be the light of the world it is the tail-light!

I said to the man who stood at the gate of the year, "Give me a light that I may tread safely into the unknown," and he replied, "Go out into the darkness and put your hand into the hand of God. That shall be to you a better light and safer than a known way." *M.L. Hoskins, The Gate of the Year*

The business of a Christian, by the means of which he attains all his purposes, ...is everywhere and always one: to increase one's fire and let it give light to men.

Leo N. Tolstoy
