Transitions

A Memorial Service Marilyn Ham-Kay Saturday, September 29th 1:30 p.m. (all invited)

Don Ham-Kay writes
about his wife Marilyn:

Marilyn was a powerful, loving woman who was honored as "Woman of the Year" during the 1988 International Women's Conference at The Evergreen State College. She touched the hearts and souls of many.

Marilyn experienced Lewy Body Dementia the last 15 years of her life. As the disease progressed, Marilyn's world became smaller and each day filled with more and more delusional fears and paranoia. The disease was completely debilitating and unforgiving.

Toward the end Marilyn received care and medications that took the fear out of her delusions and gave her peace." Don wishes to invite all to a Celebration of Life for his wife.

We say 'Godspeed' to Fr. Dick and Jan Swanson as they prepare to return home to California.

Fr. Dick and Jan have been a part of St. David's congregation for many years. Ordained to the priesthood in 1965 Fr. Swanson began his career at St. Christopher's in Detroit, Michigan until orders came sending him to a 20 year career as an Air Force chaplain.

Dick and Jan were married in 1963 and shared a life of service to country and community. Jan served with great passion as a public health nurse and encountered many opportunities to advance the health of the young, disadvantaged and indigent throughout a celebrated career.

"In all our comings and goings in our life, we have always considered St. David's one of our most cherished parish churches."

Godspeed to two beautiful servants.

Transitions

Bible Study

Bible Study returns on the first Sunday of October. Episcopalians are sometimes reticent to engage in a group Bible study for fear of a number of things mostly having to do with embarrassment that they might not know all they should. Not to worry, The one who knows it all, knows little, especially Jesus' call to humility and service.

Join us: Sunday, October 7th at 9:15 a.m. We will be using a guided Bible study that will assist us in our collective understanding. Surprisingly, we all may learn much!

Have You Noticed

Much has been going on around the church these days. From repairing the lights in the kitchen, to taking down an ugly growth in our Cedar of Lebanon tree in the front yard, Suzy Petty, Don Liles, Larry and Mary DeForest have stepped up and in to the hard work of keeping things in order! Well done good and faithful servants!
